

LA PORTE DE DOUCHE DIANE

Notice d'installation

Informations générales

Remarque : le verre de sécurité ne peut pas être retravaillé.

Veuillez lire attentivement ces instructions avant de commencer l'installation.

- Il convient de faire particulièrement attention lors du perçage des murs afin d'éviter d'endommager des tuyaux ou des câbles électriques cachés.

Veuillez inspecter le produit dès sa réception afin de détecter d'éventuels

dommages liés au transport, des emballages ou pièces manquants, ou un défaut de fabrication. Les dommages signalés ultérieurement ne pourront pas être pris en charge.

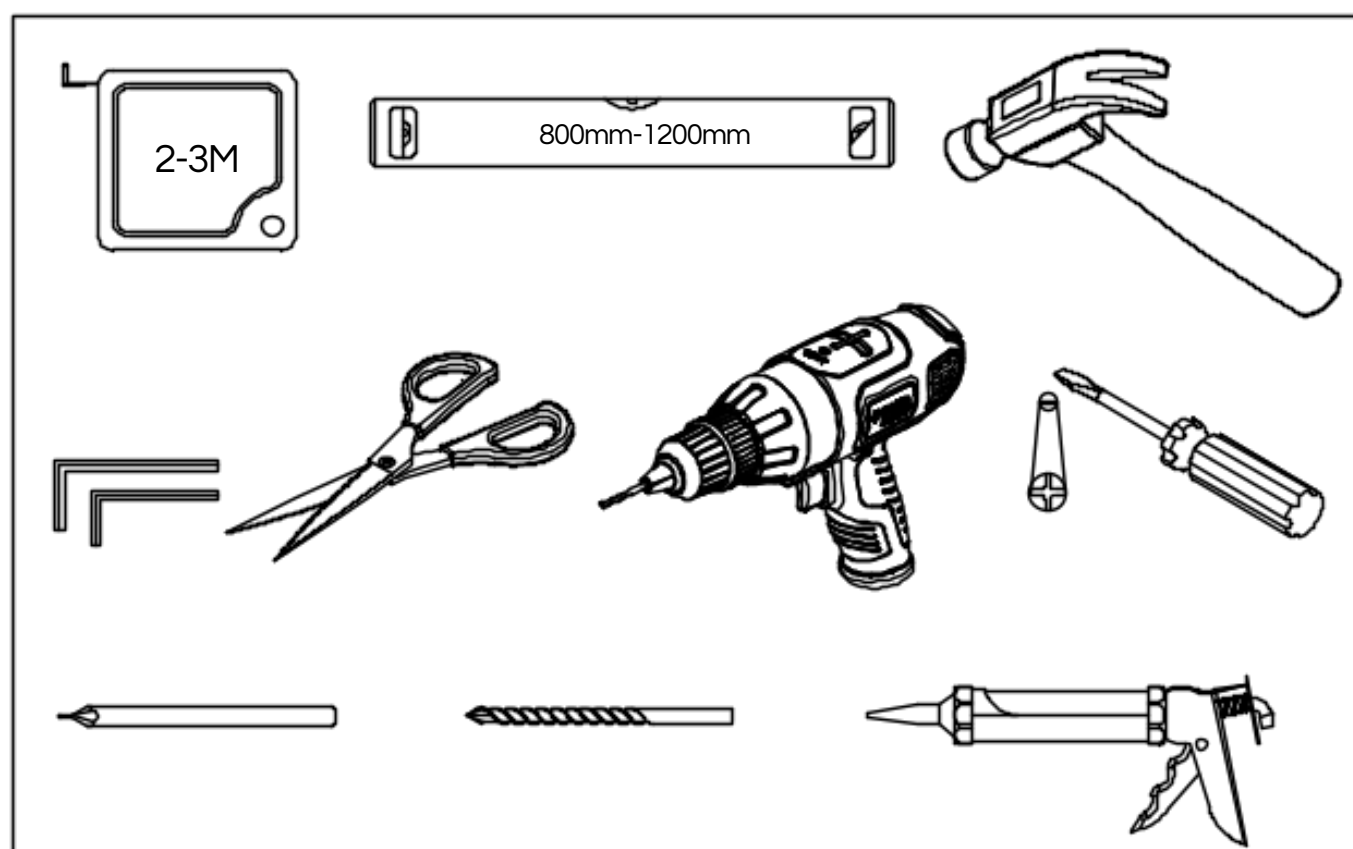

Veuillez manipuler le produit avec précaution en évitant les chocs et les impacts sur toutes les faces et les bords du verre.

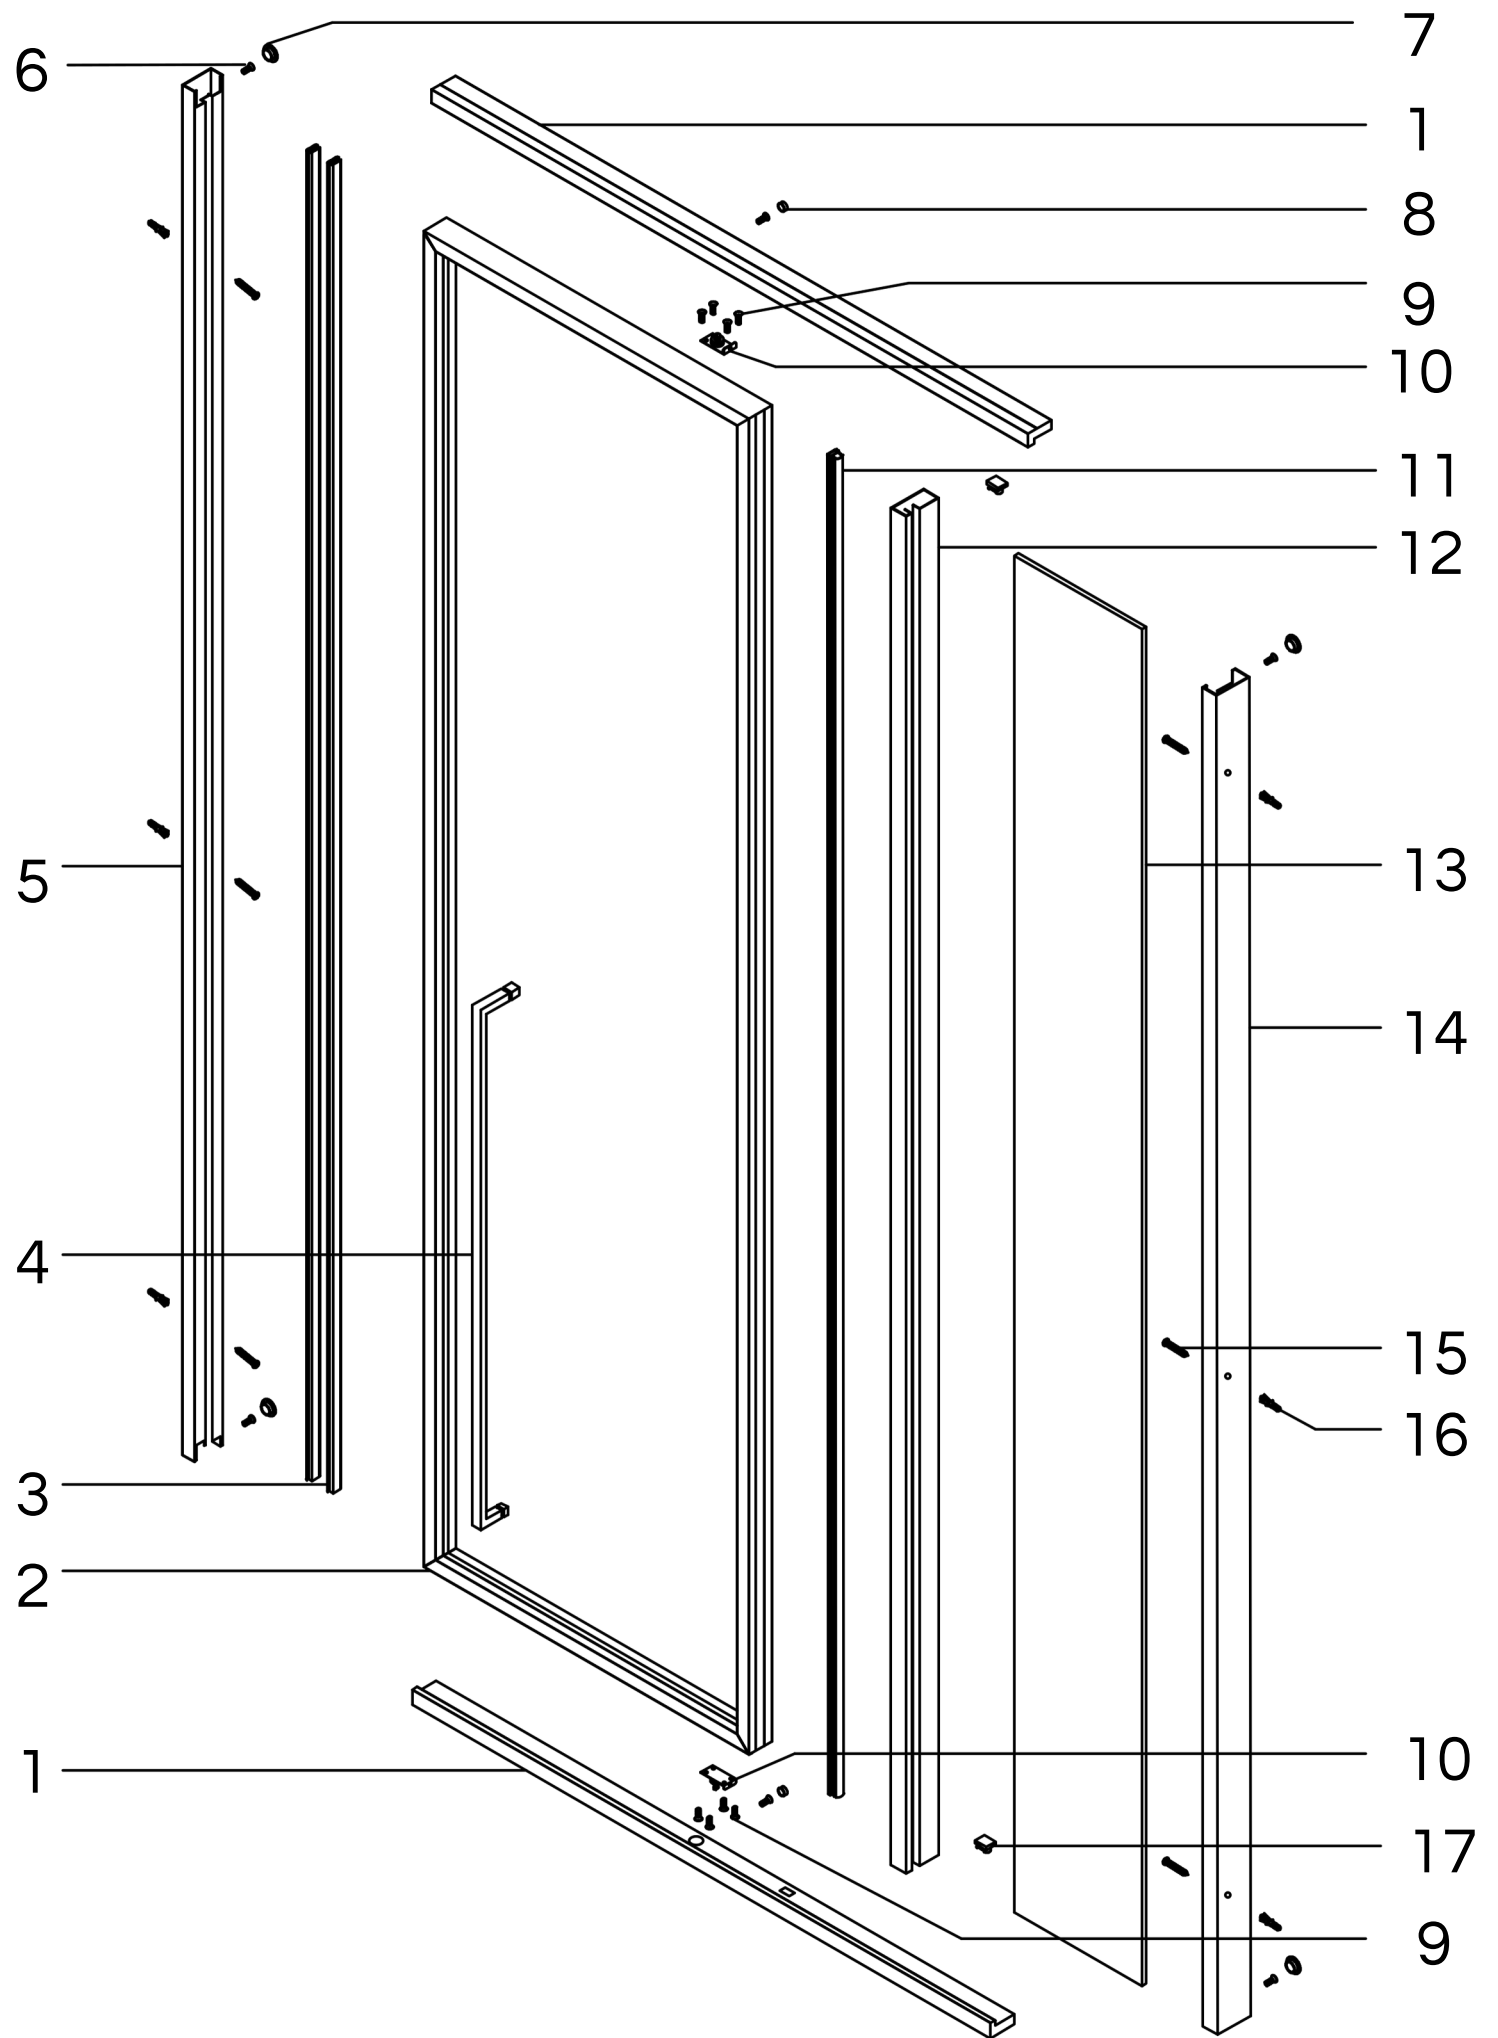

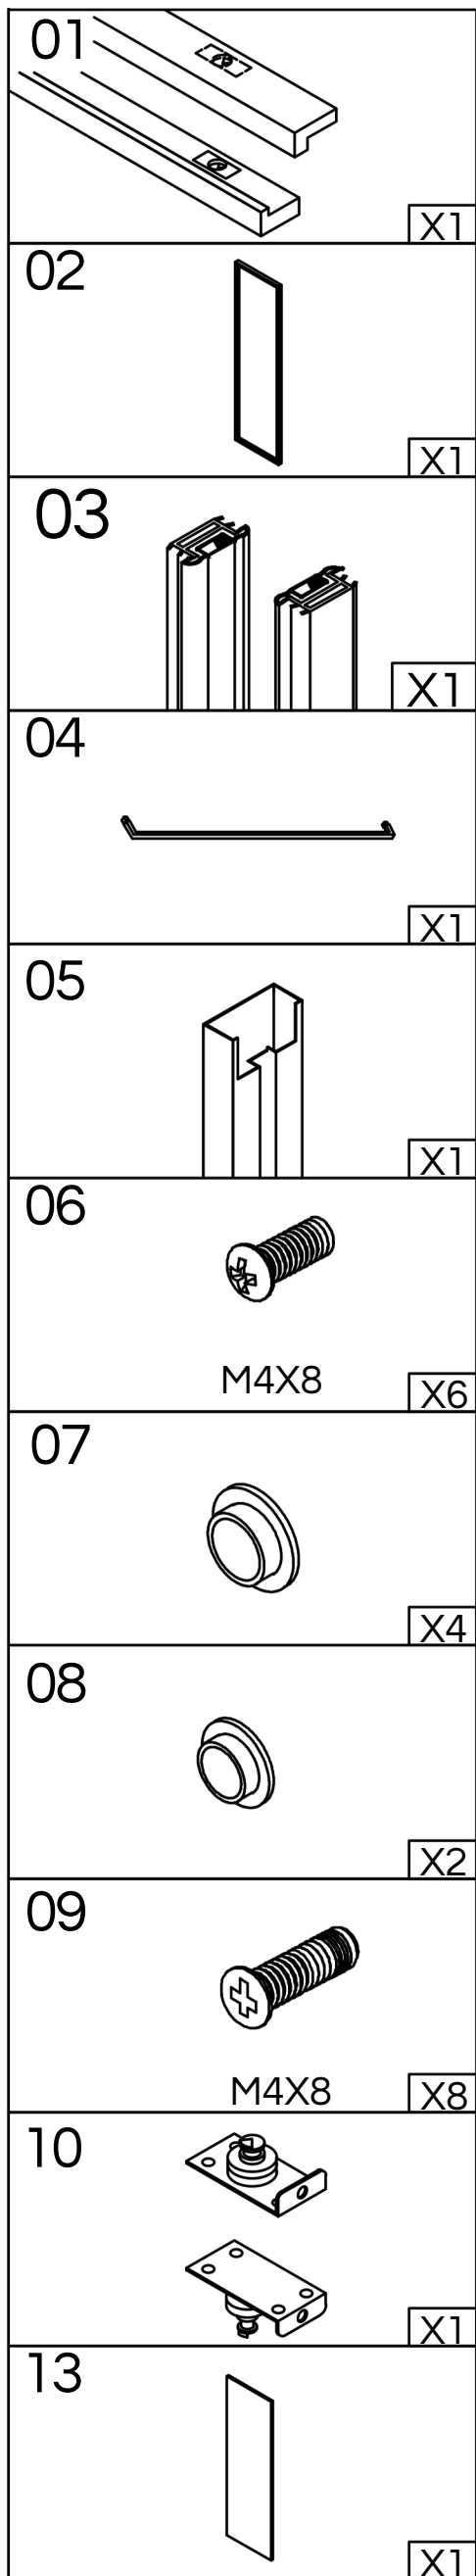

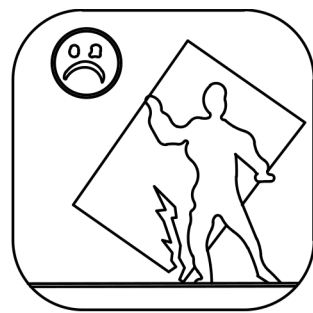

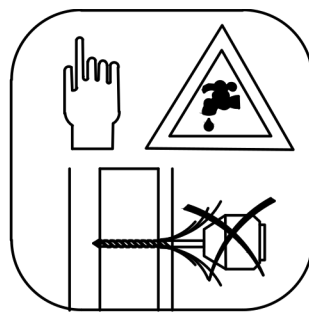

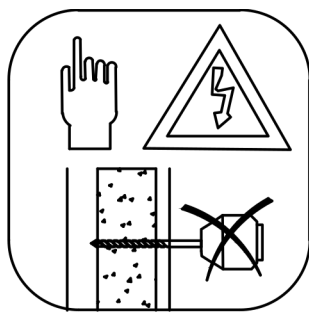

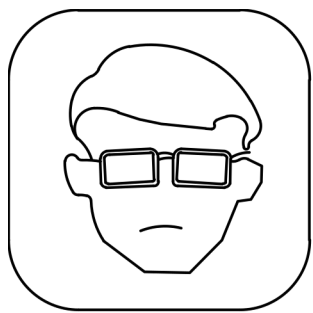

- Remarque : ce produit est lourd et nécessite l'intervention de deux personnes pour son installation.

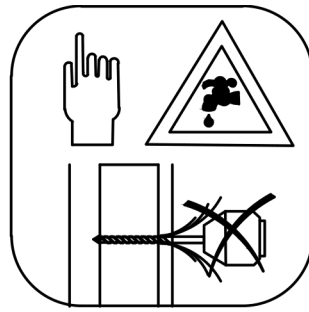

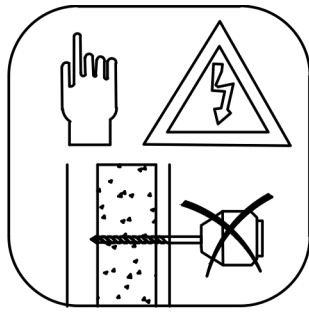

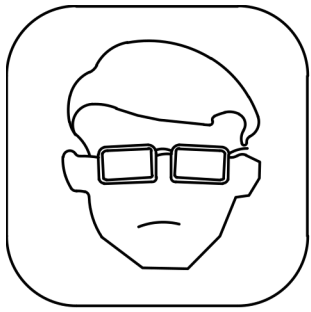

Entretien et nettoyage

- En règle générale, il suffit d'utiliser un chiffon doux humide pour nettoyer l'ensemble de la cabine de douche.
- N'utilisez pas de détergents agressifs, tels que l'alcool, l'essence, les nettoyeurs pour sanitaires et autres substances solubles.
- Pour les taches tenaces, utilisez un chiffon en coton imprégné de détergent neutre pour essuyer la tache, puis rincez à l'eau claire.
- Afin d'éviter les rayures, veuillez ne pas utiliser d'objets durs ou tranchants tels qu'une brosse métallique pour nettoyer la cabine de douche.
