

THE VÉNUS SHOWER DOOR

Installation instructions

General information

Note: safety glass cannot be reworked.

Please read these instructions carefully before beginning installation.

- Take particular care when drilling into walls to avoid damaging concealed pipes or electrical cables.

Please inspect the product upon receipt for any transport damage, missing packaging or parts, or manufacturing defects. Damage reported at a later date cannot be accepted.

Handle the product with care and avoid knocks or impacts to all faces and edges of the glass.

- Note: this product is heavy and requires two people for installation.

Care and cleaning

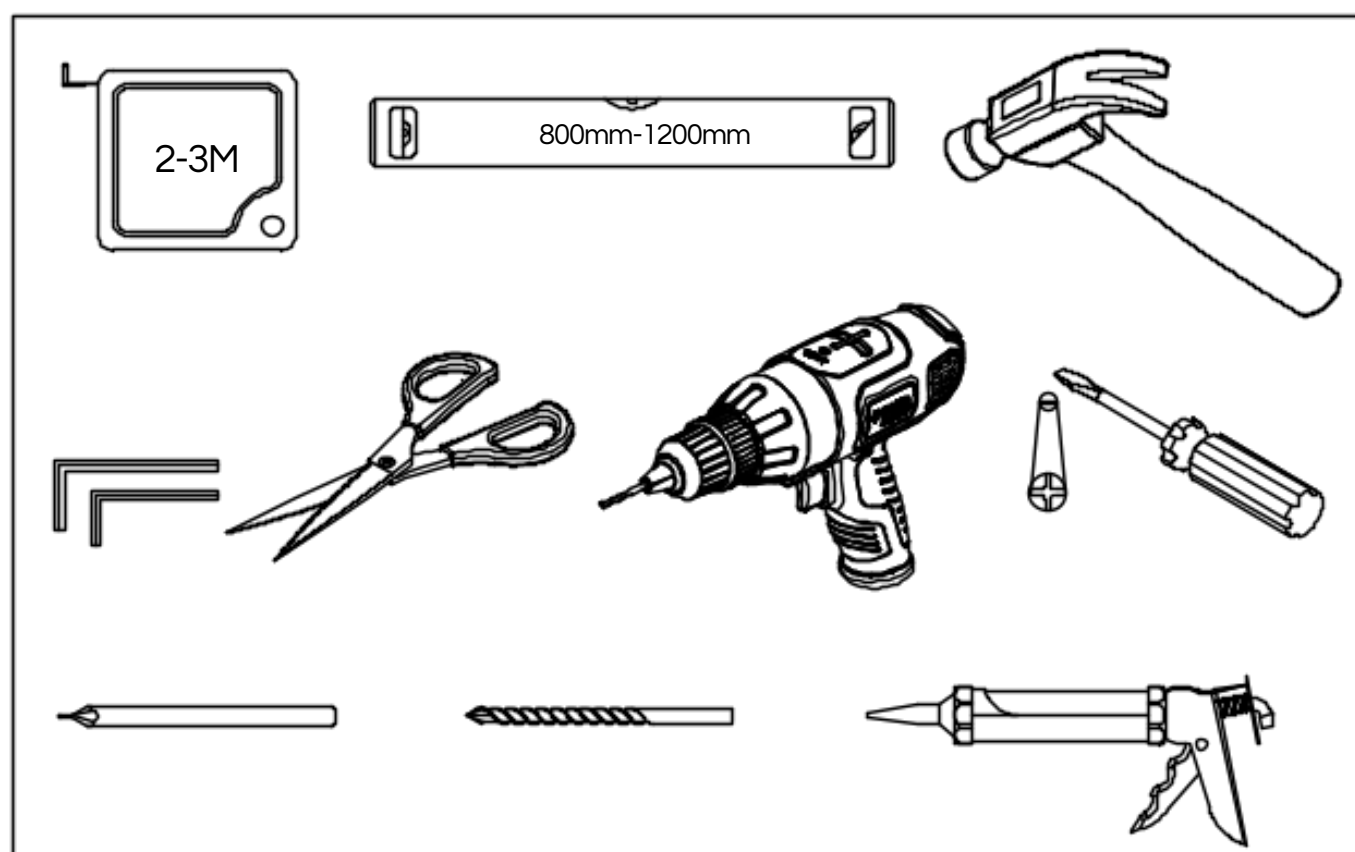

As a general rule, a soft damp cloth is sufficient to clean the entire shower enclosure.

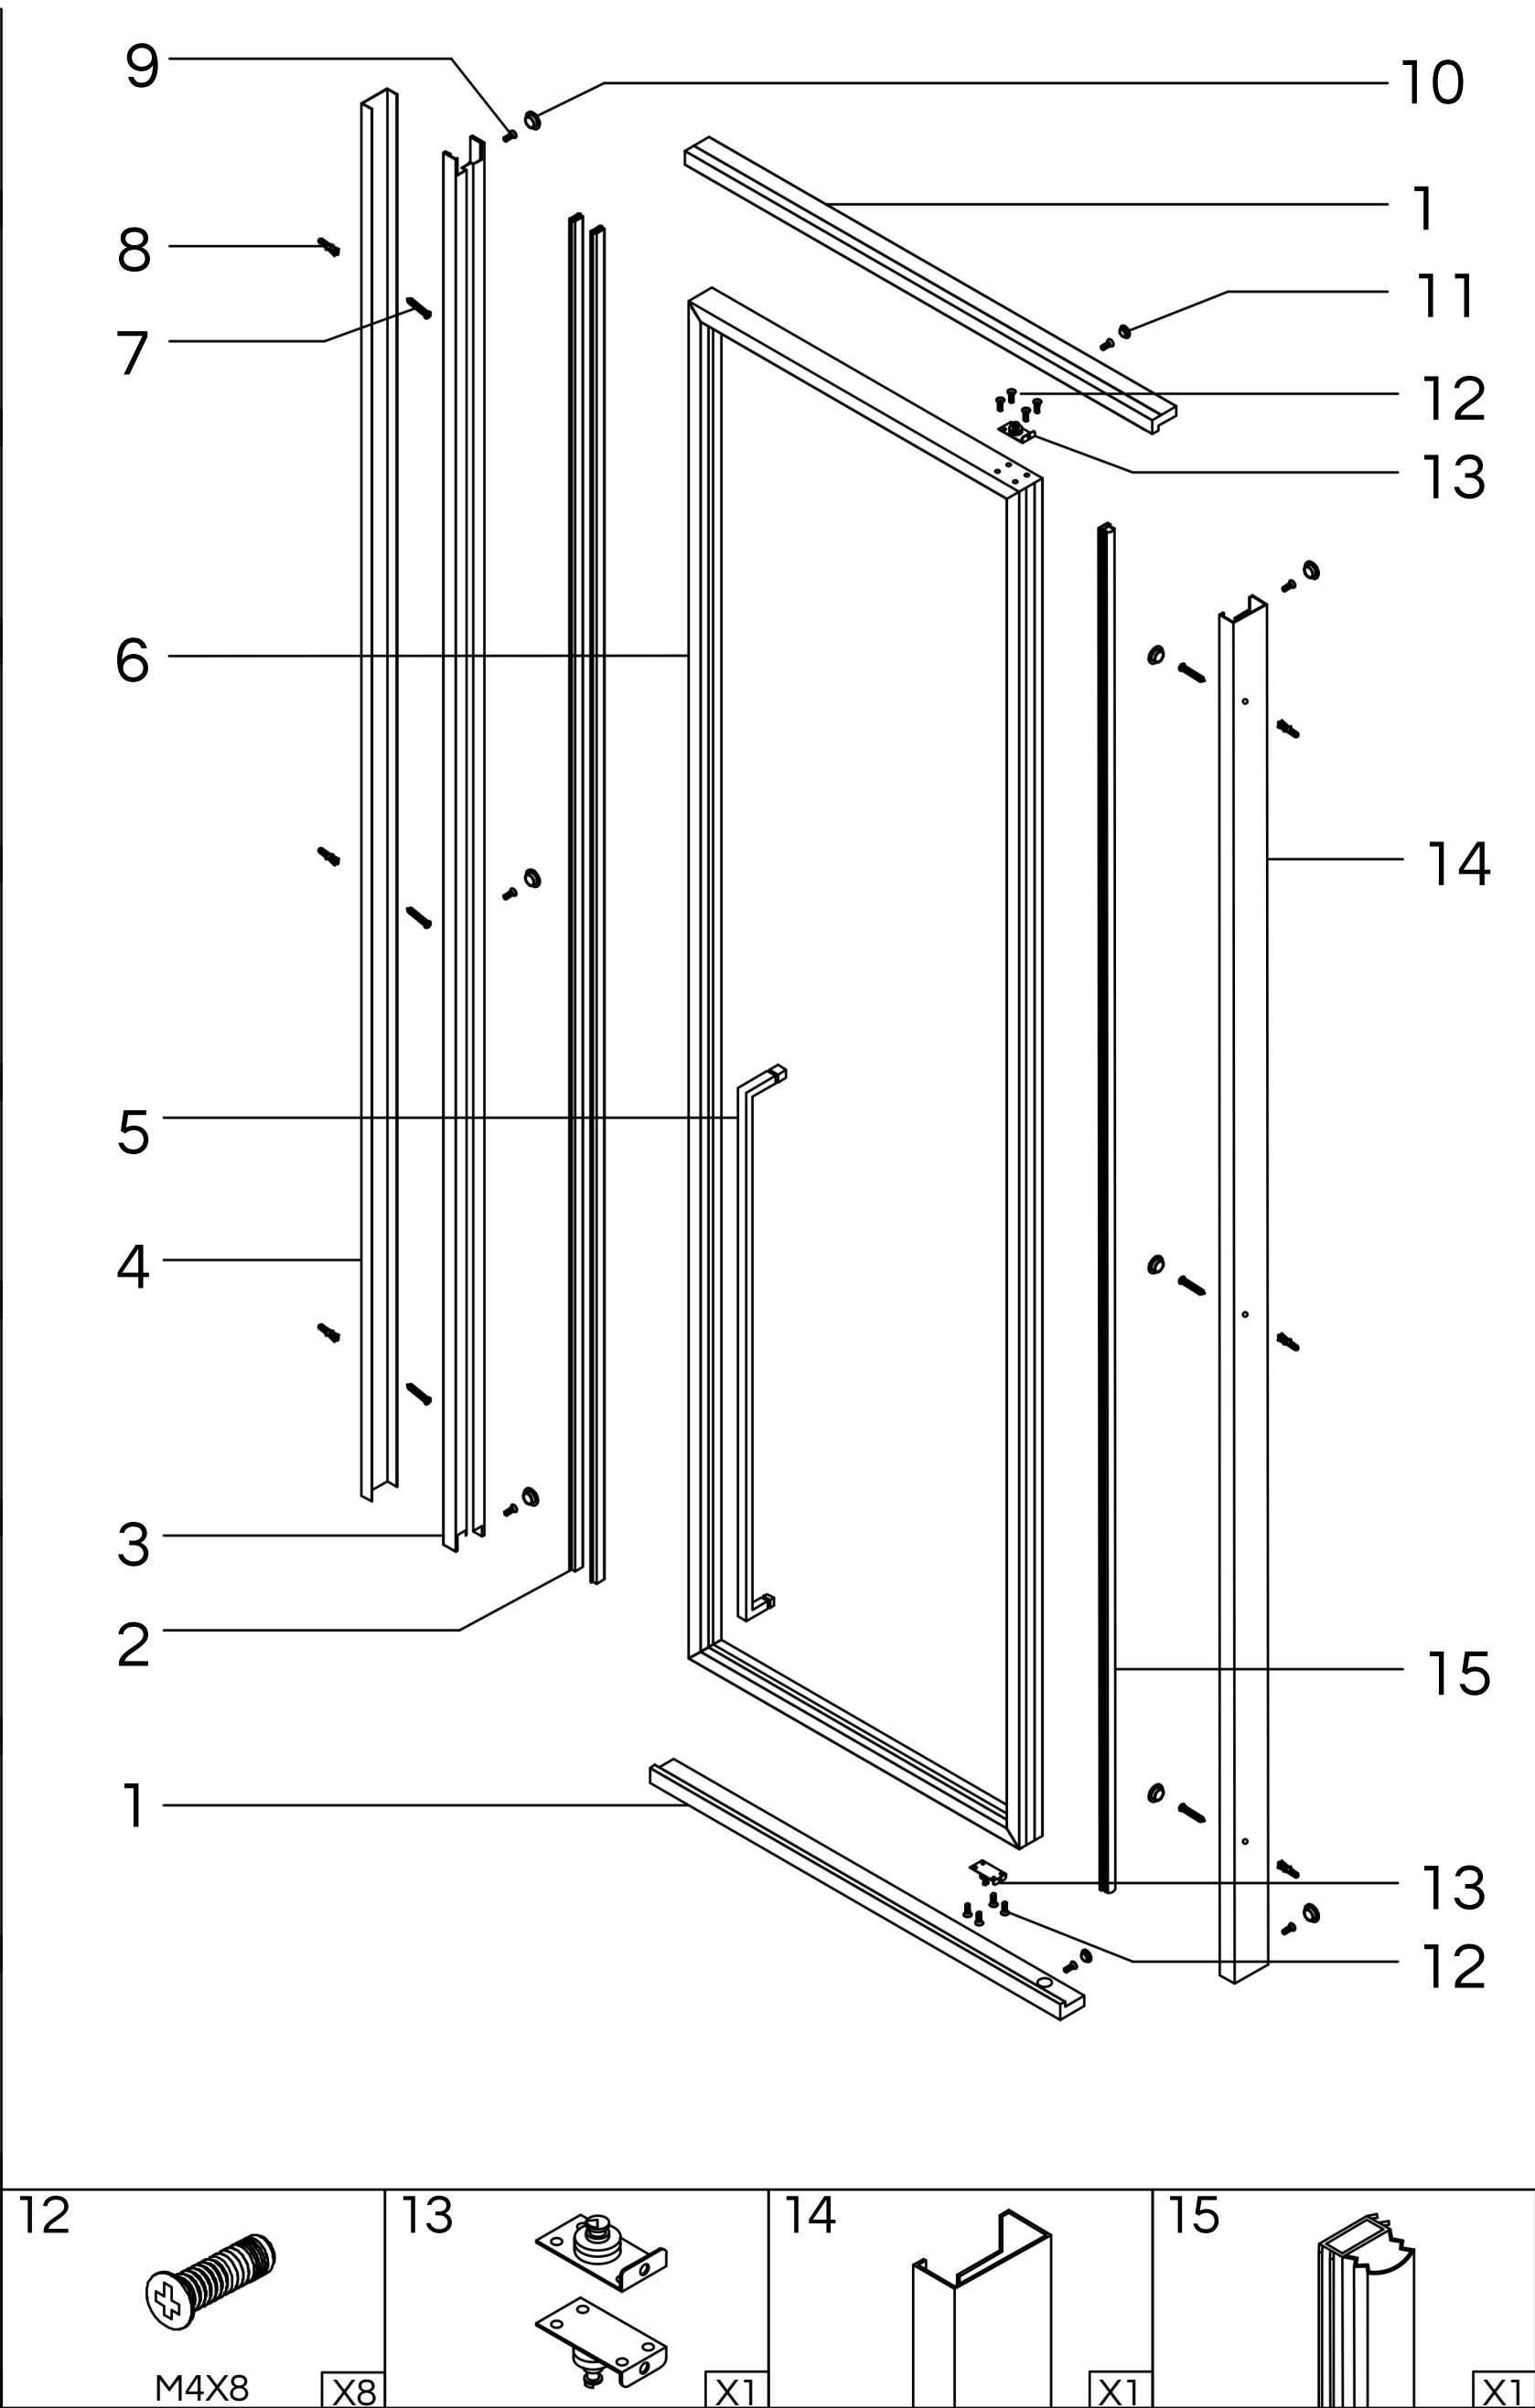

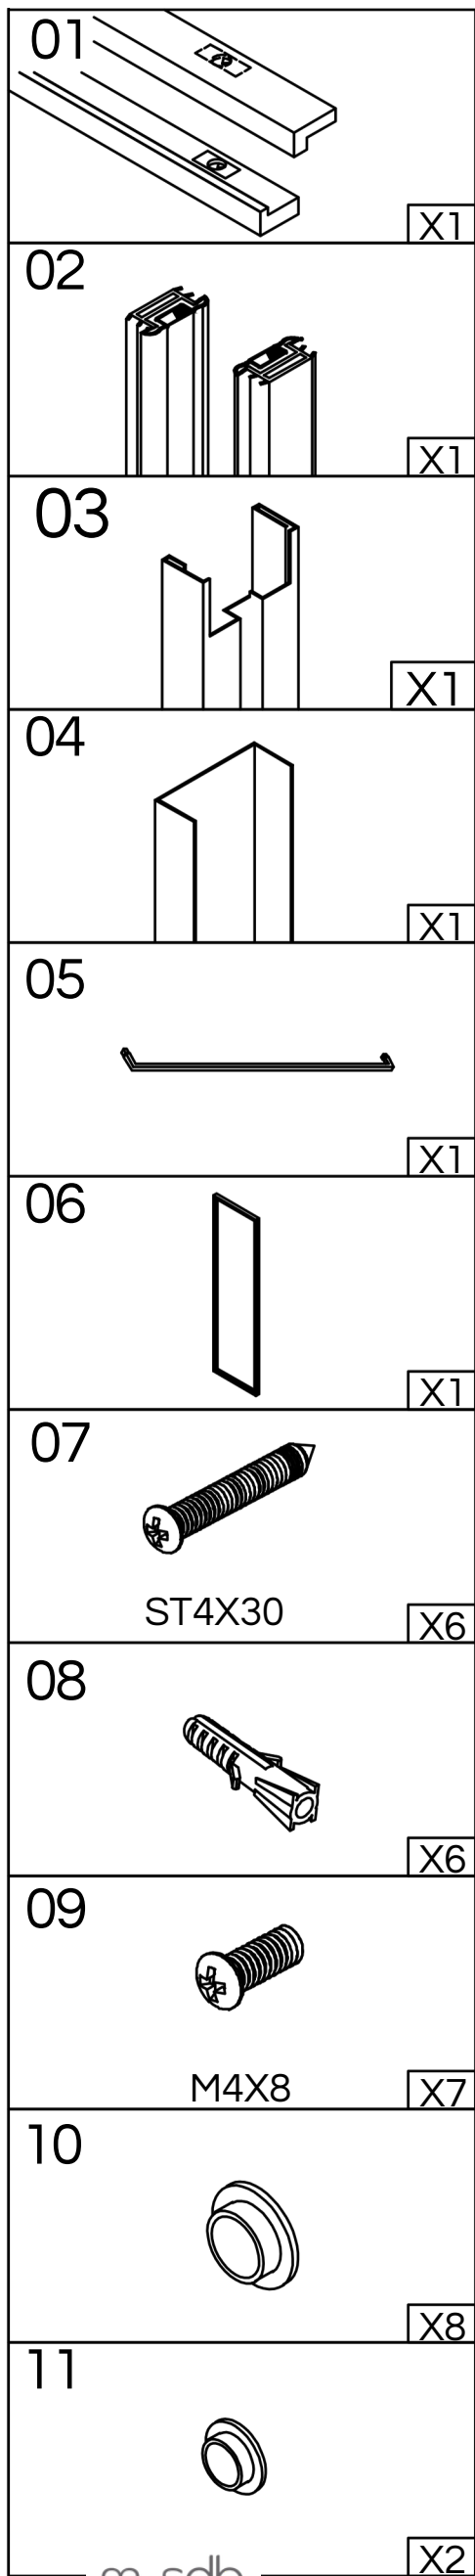

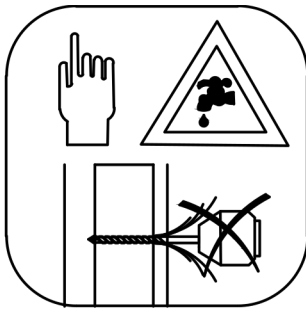

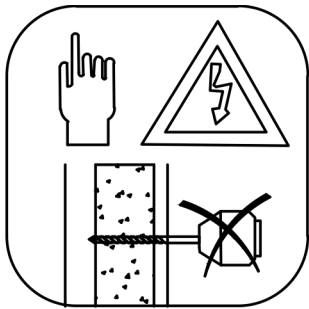

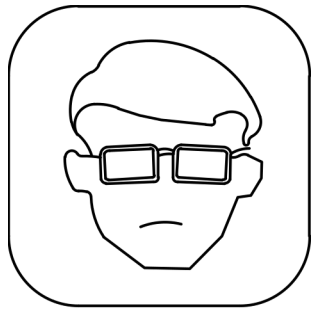

Do not use aggressive detergents such as alcohol, petrol, sanitary cleaners or other solvents.

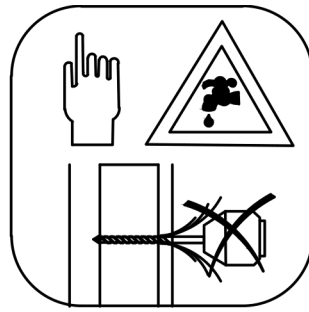

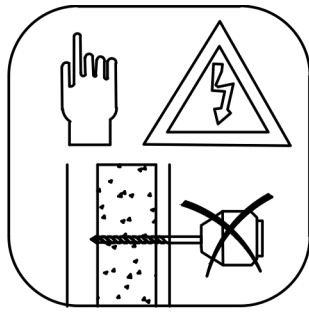

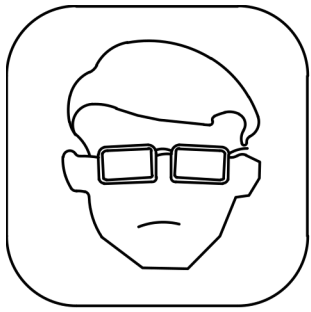

For stubborn stains, use a cotton cloth with a neutral detergent, then rinse with clean water.

To prevent scratches, do not use hard or sharp objects such as a wire brush to clean the shower enclosure.
