

BASE PORTALAVABO . ELEMENT SOUS-VASQUES BASIN UNIT . WASCHTISCH-UNTERSCHRÄNKE

FISSAGGIO A MURO DELLA BASE . FITTING OF THE BASIN UNIT FIXATION MURALE DU SOUS-VASQUE . WASHTISCH MONTAGE

Fissare la piastrina a muro nella posizione con le frecce rivolte verso l'alto.
Fix the brackets as shown in the drawing, in the direction of the indicator.

Monter les fixations murales comme dans le dessin, dans la direction des indicateurs
Muessen die Buegel in Richtung der Pfeile fixiert werden, wie in der Zeichnung gezeigt.

Inserire il gancio "A", nella fessura "B", facendo una leggera pressione fino al bloccaggio della molla di sicurezza "C".
Insert hook "A" in the hole "B" to block the safety spring "C".
Insérer le crochet "A" dans la fente "B", jusqu'à bloquer le déclic "C"
Der Haken "A" im Loecher "B" mit einem kleinem Druck einstecken, bis zum Sperren der Feder "C"

Livellare il mobile, ruotando le due viti e far aderire il mobile a muro.

To level correctly the furniture to the wall, turn the screws
Tourner les deux vis pour faire adhérer le meuble au mur
Die 2 Schrauben anziehen um das Moebel fest zum Wand sicherzustellen

Per lo smontaggio dal muro, fare una leggera pressione sulla molla di sicurezza "C" per permettere lo sgancio "A".
To unfit the unit, press the "safety spring" C with a screwdriver to allow hook "A" to come out from the housing.

Pour démonter le meuble, faire pression avec un outil sur le déclic "C", pour permettre au crochet "A" de sortir.
Um das Moebel zu demontieren einen Druck auf der Feder "C" machen, um Haken "A" auskommen lassen.

Inserire i carter di chiusura su entrambe le attaccaglie.
Insert the metal covers on both fixings
Insérer les carters dec cloture sur les deux fixations
Die Bedeckungen auf beiden Fixierungen einstecken
